Maps of the garden and "Where's Waldo" scavenger hunt game cards are available in most booths. After you've collected all 8 location validations, you win a prize which you can collect at booth #37! So go find Waldo and his monkey while you enjoy all the other wonders of Waldo's Secret Art Walk.

## Poet Laureate Sean Sexton

Sean Sexton is the grandson of Waldo Sexton and you'll see much of his grandfather's character in Sean's writings and story-telling skills. Spend an entertaining hour with Sean as he reads from his award-winning poetry and tells tales of the past. Look for Sean and his artwork in Booth #4 at the back of the white homestead on Saturday and Sunday. Readings & Stories start at 3pm with a Book Signing after.

## Free Face Painting

Join "Miss Grace Creates" for free face painting from 11am to 3pm on both Saturday and Sunday in Booth #18 in the Bamboo Garden. Grace can make your child into a charming animal of their choice, or just paint something beautiful. Art isn't just for walls...you can wear it too!
